REMARKS

Applicants received a Notice of Abandonment under Rule 53 (b) for failure to respond to a Notice of DO/EO Defective Response mailed on 16 August, 2005 ("08/16/2005 Notice"). Applicants respectfully submit, however, that the 08/16/2005 Notice was never received by the Applicants on or after August 16, 2005. Accordingly, Applicants respectfully request the withdrawal of the holding of abandonment for the reason of non-received mail from the Office.

The present application is a national phase application based on a PCT application filed on 9 January, 2003. Applicants received a Notice of Missing requirement mailed on 2 June, 2005, for missing the inventors' declaration. Applicants filed a response on 28 July, 2005 via fax with the required inventors' declaration. Also on 28 July, 2005, Applicants filed an assignment to assign the application to Applicants' employer. Inadvertently, the declaration was defective, i.e. one of the inventors did not sign the declaration. According to the Notice of Abandonment, the 08/16/2005 Notice was mailed on 16 August, 2005 to Applicants. But such notice was never received by the Applicants. However, Applicants did receive the recordation of the assignment, which was mailed on 29 November, 2005.

Applicants have searched and reviewed the file jacket and the docket record for the above referenced application, and did not find any record of receiving the 08/16/2005 Notice. A copy of the docket record for the above referenced application is enclosed herewith. Based on the circumstance and the supporting declaration by Applicants' corporate IP Administrator, Ms. Rebecca Tanis, it is concluded that in fact, the 08/16/2005 Notice was never received by the Applicants. Accordingly, pursuant to MPEP 711.03(c) I. PETITION TO WITHDRAW HOLDING OF ABANDONMENT, A. Petition To Withdraw Holding of Abandonment Based on Failure To Receive Office Action, Applicants respectfully request that the holding of

abandonment be withdrawn and the 08/16/2005 Notice be re-mailed. (See MPEP 8 Ed., Rev 3, page 700-168).

Applicants do not feel that a fee is necessary at this time, but if the sum of \$130.00 is due under 37 C.F.R. § 1.17 (h), the Commissioner is hereby authorized to charge this fee, and any other fee necessary to make this submission timely and acceptable to the Deposit Account No. 50-1720/14.0202-PCT-US..
